

August 1st, 2022

Dear Parents,

We know how important it is to stay up to date on your child's learning journey, which is why we're excited to offer you access to Procure Solutions' best-in-class parent app.

Tell Me More About Procure's Parent App

Once you download the Procure app on your smartphone, we can update you on your child's daily activities, snacks, milestones and more. We can send you photos and videos of your child, as well as keep you in the loop on upcoming events and time-sensitive information.

The app also offers several "contactless" ways to check your child in and out. This helps us limit in-person interactions and unnecessary foot traffic in the center so we can better ensure the health and wellbeing of you, your children and our staff.

Parents have the ability to message OCK staff through the app. These messages go directly to the Lead Teacher & Assistant(s) at each site. They are also seen by the Directors so that all necessary staff are in the loop.

How do I get the app?

You'll get an email soon with all the instructions including a unique **4-digit pin** and information to download the mobile app via email. For additional security, you will be notified via email when your child is signed in and out of the center. You will need to set up a payment method and keep it on file for OCK payments.

We think you'll really enjoy this new way for us to stay connected!

Sincerely,

On Campus Kids After-School Enrichment
